

Tram route 59 transport improvement project

Mt Alexander Road, Flemington and Travancore

Mt Alexander Road will be closed for tram track renewal and platform tram stop construction works on Friday 6 January until Sunday 15 January.

Stage 2: road closure

From 11pm Friday 6 January, Mt Alexander Road Flemington and Travancore will close for:

- tram track renewals from Church Street, Parkville to Victoria Street, Flemington
- the installation of a pair of level access platform tram stops.

Detour routes

During this time, Mt Alexander Road will be closed to all traffic from the CityLink on ramp to Ormond Road, Ascot Vale over a nine day period.

There will be:

- tram tracks being moved with works happening 24 hours a day
- limited access for local residents and businesses ONLY
- traffic management and controllers working onsite
- alternative public transport to replace tram services
- detour routes around the work site for traffic (see map over page).

During stage 2 road closure

Tram services

Alternative public transport will be provided during the closure of Mt Alexander Road. Tram passengers will be advised of these changes in December 2011.

Bicycle changes

During early January there will be temporary changes to bicycle lanes:

- the outbound and inbound bicycle lanes will be closed
- alternative temporary bicycle routes will be provided.

Cyclists are asked to take care and follow the recommended temporary bicycle routes.

Parking changes

During the road closure, kerbside parking between Mooltan Street and the CityLink on ramp will be removed on Mt Alexander Road.

Works to date

The following works have already started:

- preparation for the relocation of tram tracks and new tram only lanes
- construction of new bicycle lanes and footpaths adjacent to Debneys Park
- improvements to the entry into the Flemington Community Centre
- signalised access into the new residential development and businesses on Mt Alexander Road at Travancore.

During December there will be:

- lane closures outside peak travel times
- lower speed limits to ensure the safety of road users and construction workers
- access for local residents and businesses.
- closure of Mt Alexander Road outbound between Boundary Road and Mooltan Street on Sunday 18 December between 6am and 12 midday. Traffic will detour via Racecourse Road.

Yarra Trams will provide details of alterations to services at stops, on trams and at yarratrams.com.au.
